Spring Trip Payment Breakdown

Hello and thank you for your commitment to attend the Knights Band trip to Los Angeles, CA! With the number of students finalized, the price for the trip has come out to \$1,583 per student. Due to the cost of the buses for ground transportation at LA, the price was forced to go higher. Additionally, there may be a \$37 charge to each trip to reserve the charter buses to and from the airport bringing the total to \$1,620. There is a possibility that we will look at using school buses and renting a truck rather than charter buses. However, the storage areas underneath the charter buses will ensure that we will not need a truck. For the time being, the total of the trip is \$1620. The final price may change and we will inform you before the last payment. Found below is more information regarding payments:

<u>Payment Due Date:</u>	<u>Payment Amount:</u>	<u>Total</u>
